IMAGINARY GROUPS EBOOKS 2019

Author: Clive Hazell

Realese Date: Lanzamiento previsto: @@expectedReleaseDate@@

This book examines unconscious processes in groups. So frequently groups have a stated purpose that is undermined or compromised by covert processes operating outside the awareness of group members. This book shows how to identify these unconscious "imaginary groups" and offers ways and means of working with groups so as to make them safer, more productive places. This book should be of interest and use to anyone who works with groups--therapists, counselors, teachers, managers and leaders of all kinds.
