Melding learnings from a lifetime of uncommon experiences with insights from a surprisingly successful corporate career, this book will inspire workers mired in indecision and dimly lit prospects. Following college, Cook was initiated into the business world through a dozen odd jobs, each of which provided valuable insights into the business world and the understanding of how to make the most of even the smallest opportunity. Each chapter delivers a bold truth, supported by relevant episodes from Cook's personal life and reinforced by his encounters with corporate America. Filled with colorful anecdotes about being punched by a guru, stalked by an intern, and lectured by Steve Jobs, [u003ciu003eImproviseu003c/iu003e](#) is full of hilarious yet poignant moments.
