"This book is a must-read for any woman who wants to make a bigger impact in the world." - John Gerzema, New York Times Bestselling Author, *The Athena Doctrine* "I think working women in all stages of their career from entry level to senior executives could benefit from reading this book." Patti Solaski, Global Diversity & Inclusion Manager, Microsoft "The practical exercises present throughout the book are an added plus. I highly recommend it." - Merrin P, Amazon Review *In 2016, women still hold a shockingly low 14% of top executive positions in the Fortune 500. Trying to get ahead while operating in a man's world, women continue to face immense challenges, constantly being told how to navigate these treacherous waters in a myriad of ways. Yet the gender gap persists. While working for a tech giant in Silicon Valley, the author was faced with a tough decision—should she lead like her male counterparts or try a different approach? This choice gained her unique insights into how women can break through gender bias and become far more effective as leaders, while helping close the gender gap. In *Leading Gracefully*, Feminine Leadership expert and executive coach, Monique Tallon, presents neuroscience research that tells us that women's brains are wired for empathy, intuition and collaboration, the same qualities people are looking for in their leaders today. Through her extensive research, she has developed a visionary roadmap for women—the Feminine Leadership Model—that plays squarely to women's strengths. Whether you are a senior level executive, a mid-career manager or just starting out, *Leading Gracefully* is a must-read for women who want to get to the next level in their career and life. Through personal stories and those of female executives and entrepreneurs from the world of technology, science, retail and non-profits, you will learn how to successfully use 'feminine' strengths combined with traditional traits to breakthrough gender bias. Use it as self-coaching 'how-to' guide, with 15 powerful exercises, tips and resources you can apply right away to gain more confidence, authenticity and effectiveness. Are you ready to be an inclusive leader, fostering innovation and collaboration on the teams and businesses you manage? Are you ready to be a game changer?*
