LEADING THE CONVERSATION EBOOKS 2019

Author: Tom Catalini

Release Date: ; Lanzamiento previsto: @@expectedReleaseDate@@

Communication is Everything. One of the most powerful capabilities you can build for success in today's complex business world is the ability to persuade and influence others through clear and compelling communication. Leadership and communication go hand-in-hand. Leveraging sound presentation strategies is key to leading change, which is at the heart of all IT-related initiatives. That's why it's crucial that we continually improve presentation and other professional communication skills. Improving these skills allows you to be able to command attention, wield influence, and gain respect as a leader. Start Today! In this book, you will learn a crucial foundational perspective that will set the tone for all of your future business conversations. You will also learn three powerful strategies to help you overcome the largest hurdles for IT professionals in today's business world. You will learn how to speak in the language of your audience, how to properly focus your core message, and how to capture attention through stories. The book also includes a special 12-point checklist that will make key lessons easy to review anytime you are preparing for a presentation or discussion. Get your copy now!
